

Student Government

To Incoming Honors Students and Families,

Congratulations on your student’s acceptance into the LSU Honors College! We are honored that you chose to take part in the Honors program, and we look forward to meeting you in the near future. I want to take this opportunity to introduce you to the Ogden Honors College Council (OHCC) and inform you of a special offer.

The OHCC is a part of LSU Student Government dedicated to enriching the experiences of Honors students at LSU. We plan social and service events to this aim and have held events in the past including, but not limited to, a speed-friending event, finals fuel events, a feminine hygiene product drive, and a lake cleanup event. OHCC is also the only Honors representation in Student Government and just completed its first year.

Prior to arrival, the Ogden Honors College Council would like to extend an opportunity to all incoming students and parents to purchase an LSU Honors College T-shirt (see design below). This sale is only offered to the Honors community, and LSU Honors College T-shirts are not sold elsewhere. All proceeds will be used to fund Ogden Honors College Council activities throughout the year, because SG fees cannot contribute to our events. We encourage all incoming students to signify their place in the Honors community by purchasing and wearing this t-shirt with pride. Please see the order form below for purchasing details.

Sincerely,  
Hailey Simpson  
OHCC President
