Dante's *Divine Comedy*

Prof. Greg Stone

Tues. and Thurs., 12:00 – 1:20 PM

Students will study the entirety of Dante's *Divine Comedy* (*Inferno*, *Purgatory*, *Paradise*), a work of great scope that aims to provide a complete picture of the reality of the cosmos and of human virtues and vices. One of the great masterpieces of world literature, Dante's poem is a compendium of the scientific, philosophical, religious, literary, historical, and political issues that were considered important in the Western tradition from classical antiquity through the beginnings of the Renaissance.
