## HNRS 2021: Improvisation for the Theater

**Tap into** the power of spontaneous creativity with a philosophy you can use in every aspect of your life.

**Discover** why doctors, lawyers, and the most successful companies in the world are doing improv training.

**Learn** where improv came from and where it is going.

**Explore** a type of teamwork that reinforces individuality and fosters freedom, so you can solve problems without a problem.

**Create** theater from your imagination while working together as equals.

**Study** with Brett Duggan, a master teacher who has improvised on Network TV, Netflix, and onstage across the country.

**Choose** HNRS 2021 Improv to fulfill your General Education requirement in the Arts.
